1. FIELD DAY OFFICER

The Field Day Officer has control of the competition and is empowered to report any competitor whom they consider has breached the rules to the Disputes Committee.

2. NOMINATIONS

All competitors must be financial members of a club affiliated with the Australian Anglers Association (WA Division) Inc. (AAA(WA)).

No non-affiliated AAA(WA) person is permitted to skipper or crew a competition boat other than a trophy donor or sponsor. That trophy donor or sponsor may fish and be eligible for a species prize but not eligible for the individual whole of tournament prizes.

Charter boats are not permitted unless there is a nominated non fishing AAA(WA) Auditor on that boat and an application has been presented to the AAA(WA) Executive Committee three months prior to the event.

NOTE there will only be 2 Dhufish retained as a boat limit similar to the recreational boats. However, if more Dhufish are caught and retained, then those additional Dhufish will be quarantined not to be part of a competitor's bag unless the rules are changed for recreational boats. Charter boats may retain 6 Dhufish, this Charter Boat Rule, shall be assessed on merit each year and dependant on the area the competition is held

All competitors must have nominated prior to the start. Nomination fees will be \$25.00 for Veterans, Ladies and Men's and \$20.00 for Juniors. A late nomination fee will apply after the 10th of March 2020. Late nominations will be accepted on the day from 0630 hours until 0800 hours. The late nomination fee is \$40.00 for all competitors other than juniors where the late fee is waived.

All clubs must hand in their team lists prior to the start at 0630 hours on the day. No separate fee is applicable, once individual nominations are paid.

3. CLUB TEAMS & TEAM SCORING

Clubs may nominate any number of teams in the following classes, prior to the start of competition:

| | |
|---------------|----------------------------------|
| MEN'S TEAM | Maximum of seven (7) Competitors |
| LADIES TEAM | Maximum of four (4) Competitors |
| VETERANS TEAM | Maximum of four (4) Competitors |
| JUNIORS TEAM | Maximum of four (4) Competitors |

All members of those teams must be members of that club, and the club is affiliated with the AAA(WA).

Juniors are to be over TEN (10) years and under SIXTEEN (16) years of age prior to the 1st August 2019. Veterans to be Sixty (60) years and over prior to the 1st August 2019.

•Team Scoring

For the men's team scoring, the best six (6) results are used to calculate each teams score. The seventh (7th) result is not to be included in the score).

For ladies, veterans and juniors team scoring, the best three (3) results are used to calculate each team's score to count. The fourth (4th) result is not included in the score.

4. POSTPONEMENTS

In the event of inclement weather, a decision shall be made by the Field Day Officer and the nominated Safety Officer or interested Skippers from each participating club regarding cancellation of the event. A meeting will be called at 0600hours where a decision will be made by majority vote of those Safety or Disputes person nominated from each club. If a strong wind warning (SWW) is current for the area at 0430 hours on the competition day, the competition for that day shall be automatically postponed (please note weather reports in the Metropolitan area is inshore, all other is offshore).

The competition may be temporarily postponed due to unforeseen circumstances on the day. If this looks likely, a briefing of all nominated Safety or Disputes persons and interested skippers from each club will be called to attend a meeting in the morning at 0600hrs.

If the event is postponed for the day, the competition will be re-run on the following day. If it is cancelled on this following day, the competition will be cancelled for that year, unless a suitable alternative date and venue is available.

There shall be a minimum of 3 Clubs competing with a minimum of 10 boats for this event to be held. A club boat with more than 8 members shall be classed as 2 boats in this event.

5. SIGN-ON and BRIEFING

The sign-on area is located at Hillarys Boat Harbour and will be attended from 0500 hours until 0800 hours.

Egg and bacon wraps/burgers with Tea/Coffee provided by a volunteer team and will be available at a reasonable cost from 0500 hrs at the sign on area.

All competitors **must** sign on prior to the start and receive their bag tags. Skippers are required to provide details of their boat and pay a \$10.00 refundable deposit for a skipper's disc. The safety disc is used as a safety alert if boats are overdue. Please bring the correct amount as change is not available. *Generally, one crew member will do the signing on for all competitors of the boat. This person can also pay the deposit and collect the skipper's disc on behalf of the skipper.*

If there are any changes to the rules etc on the day, a briefing sheet will handed out for each skippers competitor's bag issued at the sign on area prior to commencement of the competition.

6. START PROCEDURE

The competition will start at 0630 hours by notification over the radio on frequency Mhz 27.90 and VHF73. All competitors must have SIGNED ON.

7. BOUNDARIES

There are no boundary limits. However, all boats must leave and return from the Hillarys Boat Harbour launching areas.

To minimise congestion, boats may wait for the start time in designated area defined by Cardinal Markers at the Hillarys Boat Harbour entrance prior to 0630hrs. No boats may leave this area prior to the start time.

Please keep the clearances in channel areas for private and working vessels to enter and exit uninhibited

8. ANGLING LIMITS

A competitor must not use more than two (2) rods or handlines at any one time and each rod or handline must not have more than two (2) hooks (A flight of hooks to be considered as one hook). A competitor may use any gauge line. Trolling is allowed at the skipper's discretion. A competitor must hook and land their own fish, but may receive assistance in gaffing, gilling or landing which does not entail the assistant handling his rod, reel or line.

Power assisted winches and reels are not permitted, unless exemption is sought in this event by an angler submitting an application through their club to use power assisted fishing equipment because of impairment. Consideration will be made by the AAA(WA) Boating Sub-Committee before being taken to the Delegates Council to approve such application. This application should be made at least one month prior to the competition.

Set-lines, drop lines, traps or hooks on marker floats used for finfish fishing is not permitted on any boat.

Breach of these rules will lead to immediate disqualification of all competitors on that boat.

9. POINT SCORES

All class winners will be arrived at by points awarded based on the number of eligible species weighed plus 4 points per kilogram of total bag weight. **Only 1 of each eligible species may be weighed.** Species points are as follows:

| <u>No. of Species</u> | <u>Points Value</u> | <u>Total Points</u> |
|-----------------------|---------------------|---------------------|
| 1 | 7 | 7 |
| 2 | 8 | 15 |
| 3 | 9 | 24 |
| 4 | 10 | 34 |
| 5 | 11 | 45 |
| 6 | 12 | 57 |
| 7 | 13 | 70 |
| 8 | 14 | 84 |
| 9 | 15 | 99 |
| etc | etc | etc |

In the event of competitors scoring equal points, the competitor with the greater number of species shall prevail. Should scores still be equal then the heaviest average weight per fish will be the determining factor.

In the event of any fish being hooked in or through the mouth by more than one competitor, the points attained for that fish must be shared.

Club Captains are responsible for checking, signing and receiving their Club's receipts prior to removing their bags from the weigh-in area.

10. BAG LIMITS AND ELIGIBLE SPECIES

- A. Each competitor may only weigh ONE fish of the nominated species groups below. Any more than one fish of any listed species or unlisted species will disqualify the bag. Bags must contain only fish caught by the competitor weighing in and must be clean and identified with the competitor's tag. Bags containing undersize or protected fish will be automatically disqualified and will be retained by the Field Day Officer until completion of the weigh in.
- B. Fish that have their necks broken will be pushed back into original shape and must be 1cm longer than the listed minimum size. Note this **does not** apply to gilled and/or gutted fish, or fish with the throat cut for bleeding, as long as the neck has not been broken.

Notes : 1 Sharks exclude all Wobbegong, Carpet, Port Jackson, Cat, Leopard, White Pointer, Grey Nurse, Sawtooth and Tiger Sharks.

2 West Coast Fishing Rules, as outlined in the Recreational Fishing Guide (West Coast Region) published by the Department of Fisheries, imposes the following mixed daily bag limit restrictions:

| | |

11. FINISH PROCEDURE

All boats shall return via the Hillarys Marina.

The fish cool room will be positioned at the Hillarys Boat Ramp Gazebo and marked with the AAA(WA)Banner. The cool room will be manned from 1200 hrs until 1530 hours.

All fish must be presented in a wet hessian or cloth bag, (Suggest smaller bag inside larger bag to keep smaller fish from being lost or damaged by the larger fish during transport). The use of plastic, woven plastic or woven fibreglass bags is prohibited. Fish presented in buckets or eskies will not be accepted. All bags must be tagged, and zip-tied (tags and zip ties are provided at the sign on).

The cool room will be locked at 1530 hours and no further bags will be accepted unless extenuating circumstances are allowed. Competitors aboard a vessel towing a boat in distress, or a distressed vessel will be exempt from this rule, provided they have made radio or mobile phone contact for confirmation to the nominated FDO or executives on the day, within the correct timeframe.

12. SIGN OFF

- The sign off will be near the cool room from 1200 hrs until 1530 hrs.
- All competitors MUST sign off and return safety discs by 1800 hours. From 1530 to 1800 hrs discs can be returned at the Hillarys Yacht Club. Refunds will cease after 1800 hours.
- Remember also to sign off with Whitfords Sea Rescue VJ6LQ on Channel 27 MHz 90 or VHF 73.

13. WEIGH-IN

CONDITION OF FISH

Any fish presented in a rotten, badly deteriorated or generally unfit for consumption state shall not be eligible for weigh-in. Fish must be whole and clean.

Fish that have their necks broken will be pushed back into original shape and must be 1cm longer than the listed minimum size. Note this **does not** apply to gilled and/or gutted fish, and fish with the throat cut for bleeding, as long as the neck has not been broken.

The weigh-in will be conducted at the Weigh in area nominated at the Hillarys Yacht Club commencing at 1630 hours. After each bag has been weighed, bags shall be removed immediately by the competitor who is then responsible for presenting their fish with tags for weighing at the separate scales for the heaviest of species prizes.

Note: Each club is to ensure weighed bags are removed from the weigh in area as soon as practicable (no later than 30 minutes after that bag has been weighed) and appropriately looked after/

Fish left in bags, at the weigh in area for longer than 30 minutes after being weighed will be subject to disqualification. Each club to nominate team members to remove all bags and fish from this area once the bags have been weighed. Fish entered in the heaviest of species section also should be removed at the completion of the weigh-in.

14. SPECIES PRIZES

The Field Day Officer may request an examination of any or all fish that have won Heaviest of Species prizes. Fish that were part of a disqualified bag cannot enter or be weighed for Heaviest of Species prizes.

15. DISCARDING FISH

All participants are required to observe the responsible fishing practices set out in the Association's Recreational Fishing Code of Conduct.

Any Competitor found to have knowingly discarded whole fish caught prior, during or after any AAA(WA) event shall be disqualified from competing in any future AAA(WA) events for a minimum of 12 months and shall include the following year's State Boats Championship. Subject to the severity of the incident, further action may be required, by the offending Club's Executive Committee.

Disqualification from the event concerned may be retrospective, and all winners, results and awards affected by that disqualification will also be amended retrospectively if and as required, this includes if they are in a team then that team's scores will be removed from the team's event, but the other individuals shall retain those points towards other prizes on the day.

16. DISPUTES AND DISQUALIFICATIONS (Weigh-In)

ANY dispute must be reported to the Field Day Officer no later than ten (10) minutes after the completion of the weigh-in. The Disputes Committee shall adjudicate on all disputes within these rules and their decision shall be final. Any competitor found to breach the rules shall be liable to disqualification.

The Disputes Committee will be chaired by the Field Day Officer and shall comprise one (1) member from each participating Club nominated prior to the event on the Team Nomination form. If the dispute directly involves that person, a substitute for that Club may be elected. The verdict shall be decided by majority vote.

17. ALTERATION TO RULES

The organising committee shall have the power to vary the rules or arrangements to contribute to the smooth running of the competition.

18. TROPHIES PRESENTATION

Trophies will be presented at the Hillarys Yacht Club Clubrooms at approximately 1830 hours (6:30pm).

Club Captains with additional scrutineer per club are to report to the Competitions Officer 30 minutes prior to the presentations to confirm their Club's results. The Competitions Officer will advise when results are available for club representatives to verify.

19. PROTESTS (Final Results)

Protests regarding the final points or allocation of prizes and trophies must be reported to the Field Day Officer within thirty (30) minutes of the conclusion of the presentations. After 30 minutes has elapsed, no claim will be allowed nor will the AAA(WA) alter any results.

GENERAL INFORMATION

20. SAFETY

- **Safety Equipment**

- a) Safety equipment (as per Navigable Waters Regulations) must be carried by all boats and may be subject to inspection by the Department of Transport.
- b) Each Club, having members participating in the event, shall appoint a person to act as their Safety Officer. This person shall be responsible for their Club members only. The appointment of the Safety Officer shall be made prior to the event and be notified on the Team Nomination Form.
- c) Marine radio Mhz 27.90 is the operating frequency throughout the day. All boats should log on with the Whitfords Sea Rescue on Channel 90 or VHF 73. **Frequency MHz 27.96 or VHF72 strictly for boat to boat communication.**

- **Skippers Responsibility**

It is the responsibility of the skipper of each participating vessel to make themselves aware of the current weather forecast and sea conditions before putting to sea. It is also the responsibility of each skipper to be confident with their own ability to safely handle their vessel in the conditions forecast. It is highly recommended that the skipper regularly rechecks the forecast throughout the day.

Recreational Fishing Licences are required by all competitors

PLEASE ENSURE YOU HAVE COMPLIED WITH THIS RULING

21. BOAT COMPLIANCY

- All Boats must be registered and comply with the Department of Transport Marine vessel specifications.
- Release Weights are compulsory on any fishing vessel, when fishing for demersal fish.

PLEASE ENSURE YOU HAVE COMPLIED WITH THIS RULING

22. LIABILITY

All competitors and persons taking part in the competition do so entirely at their own risk and the AAA(WA) and/or the Organising Committee will not be held responsible for any loss or damage sustained by any competitor or any other persons to their persons or effects.

23. FACILITIES and PARKING at HILLARYS YACHT CLUB

Refreshments Hot snack food and refreshments will be available from the Hillarys Yacht Club clubrooms prior to and during the weigh in and presentations.

Fish Cleaning There will be minimal fish cleaning facilities provided, offal bins will be provided, but no whole fish to be disposed of, or rubbish to be left at the club or surrounding area.

Security for Boats at Weigh In

Parking is NOT PERMITTED at the Hillarys Yacht Club.

If you are able to have your boat picked up or organise parking at a friend's house for the weigh in and presentation, please do so. If you are unable to do this, the AAA(WA) Boating Sub Committee with the HYC have organized **minimal** security at the Hillarys Boat Harbour car park area.

Although the AAA(WA) Boating Sub-Committee has taken this initiative, they will not be held responsible, for any theft or damage done to your personal equipment, by others.

We also ask you to respect the grounds and patrons of the venues and refrain from any unruly behavior, which can compromise the organising AAA(WA) Boating Sub-Committee.
