

LATEST NEWS FROM AAA

QUEENSLAND DIVISION

I have gone to great lengths, contemplating the current situation with the COVID-19 virus whether to hold the 36th National Angling Championships this year or not. A telephone hook up firstly with the QAFCA organising Committee and then with all State Presidents soon assured me that I was on the right track if I postponed the Titles until the same month in 2021. At this stage, we don't have the finer details, but I believe it will be a week earlier to coincide with the moon.

I know a lot of people have paid deposits on houses, such as my committee and myself have, and it's too much to lose any part of it. Consequently, our AAA Secretary General contacted PRD Realty in Agnes Water and received the following reply-

"We understand current hesitations for travel with the situation of the Coronavirus (COVID-19) & have 2 options for all guests. Bookings can be put on hold to utilize in the year or we are happy to **refund in full.**

Please don't hesitate to contact me if I can be of further assistance.

Kind regards
